The same TCN must be used for all event entries for a dog until the dog is permanently registered. Once a dog is permanently registered or has an ERN, the TCN will be replaced with the registration number or ERN. A TCN cannot be used for Listed Breeds (MCN) or dogs that will require a Performance Event Number (PEN) or Canine Companion Number (CCN). There is no fee to obtain a TCN however exhibitors will still be required to pay TCN Fees when entering events using a TCN. TCN Numbers may be obtained online via the CKC website where the number is issued instantly. Exhibitors may also mail in a printed application or contact CKC Shows and Trials by phone for a number. If your dog does not have a registration number or ERN and has already competed in a CKC event and earned points, scores or awards, before applying for a TCN online, exhibitors are encouraged to check their dog's profiles to determine if the CKC has already created a TCN for that dog. There will be a tab called TCN Dogs in the owner's Portal account.

MAILED ENTRIES - CKC official entry forms must be used. When mailing entries to the Trial Secretary, separate entry forms are required for each class entered and payment must accompany the entry. Completed entry forms are to be sent only to the Trial Secretary:

In order for the title to be awarded, the non-member will have a choice to either become a CKC member or pay the non-member participation fee. Failure to comply within 30 days of notification will result in the title being withheld and the dog cannot be moved up to the next level.
