River Valley Obedience & Field Trial Club Inc (or
RVO&FTC).

NSF Cheques: Section 6.3.3: "Tendering of a dishonoured cheque or credit card in payment of entry fees shall be considered non-payment of entry fees, and is an offence punishable by disciplinary action and cancellation of awards."

US Exhibitors, please note: Fees are due and payable in Canadian funds. Due to fluctuating currency rates, discounted cheques will not be accepted. Personal cheques will be accepted, however, they are to be payable in Canadian funds. If you send a cheque in US funds, it must be made out for the full amount of the entry and no exchange will be refunded to the exhibitor. Please do not make cheques "payable in Canadian funds" or "at par". They will not be cleared by the banks. To simplify the process, we urge that you purchase bank drafts or international money orders in Canadian funds. Your understanding and cooperation is appreciated.

Canadian Residents, please note: The CKC has implemented an annual "non-member participation fee" for residents of Canada who are not members of the CKC. Check with the CKC for the current fee. The non-member participation fee is paid in any year a title is earned and covers all titles earned and dogs owned by that individual. In order for the title to be awarded, the non-member will have a choice to either become a CKC member or pay the non-member participation fee. Failure to comply within 30 days of notification will result in the title being withheld and the dog cannot be moved up to the next level.

The fee applies only to dogs wholly owned by non-member residents of Canada and is not applicable to CKC members.
