This is our 7th year of progress toward being not just a Green Dog Show, but a ZERO WASTE Dog Show. With your help we have decreased our waste by approximately 90% each year since days of overflowing garbage cans swarming with flies and wasps. That means 90% less methane/green house gas has gone into the atmosphere. Since the world's recent gathering in Paris we are even more motivated to keep decreasing what gets hauled to the land fill from our show. Please keep using the recycle/compost and poop containers as labelled. Merci buckets!

Infectious diseases are always a risk, and The Canadian Kennel Club Genetics & Medical Committee wishes to remind breeders and owners of the best practices for limiting the spread of infectious diseases, and the unique concerns for animals entered in the Baby Puppy Class. Note these risks may also apply to all dog events.

Rules and Regulations :

We remind exhibitors of Section 8.1 of the published CKC Conformation Show Rules and Regulations found here, with an excerpt below:

8.1 General

8.1.1 A dog may not be entered or exhibited at a show held under these rules if it has any communicable disease. Dogs entered in a show must have current immunization status.

8.1.2 No dog may be brought onto the grounds or premises of a show held under these rules if it:

- (a) is known to have distemper, parvovirus, kennel cough or other communicable disease;
- (b) has recovered from distemper, parvovirus, kennel cough or other communicable disease within the last 30 days
- (c) has been housed within 30 days prior to the show on premises on which there existed distemper, parvovirus, kennel cough or other communicable disease.

8.1.3 Where it is found that these rules have been contravened, the dog in question shall be removed from the show premises and the exhibitor will be subject to disciplinary action.

Steps to Minimize the Spread of Infections :

- 1. All dogs should be up to date on their immunizations. Modern vaccines are generally quite safe and always safer than the risk of infections, especially Parvovirus and Distemper in unvaccinated animals. Ensure that your adult dogs have been vaccinated on a schedule recommended by your veterinarian.
- 2. Exhibiting dogs under six months in the Baby Puppy Class is inherently risky. Maternal antibodies may interfere with vaccines and prevent an immune response sufficient to protect against disease. Maternal antibodies may persist up to 12 weeks. Puppies younger than 16-18 weeks should have received a booster shot 1-4 weeks before the show date. Participation in the Baby Puppy Class is at your discretion and in all cases, your baby puppy should have had multiple separate immunizations before participating.
- 3. No unvaccinated puppies should ever be brought to a show.
- 4. Avoid unnecessary contact between your dogs and other dogs at the show, other exhibitors, and show attendees.
- 5. At home, try to minimize contact between dogs that have recently returned from a show and your other dogs, and in particular unvaccinated puppies, for a period of two weeks to minimize

transmission of infections.

6. Do not bring a dog to a show if that dog, or any dog that your dog has come in contact with, has been ill within the last two weeks. Remember that infectious diseases can travel on clothing and be aware that you could be an agent of infection.

7. To minimize the risk of transmission of infections between dogs, we recommend the handler/owner open the mouth of dogs in the show ring to show the bite rather than having the judge perform this task. You can discuss this directly with the judge for your breed/group.

8. Anyone handling dogs should wash their hands thoroughly for at least 30 seconds, scrubbing thoroughly with soap and warm water between handling different dogs and frequently throughout the day during a show to minimize as far as possible transmission of infections. If proper hand-washing facilities are not accessible at a show, use an alcohol-containing hand sanitizer product.

9. Clean areas that come in contact with animals frequently and thoroughly with an appropriate cleaner, particularly crates, bowls and other items brought to and from the show floor. Dilute bleach or stabilized peroxide disinfectants are the most effective at killing all types of pathogens.

10. Any dog that falls ill while at a show may be removed by the show authorities and reported to the CKC (8.6.1(b) Conformation Show Rules). We suggest that if a dog falls ill at a show the owner/handler immediately remove the dog from the building and inform the show authorities as well as owners of any other dogs that may have come into immediate contact with the sick dog.

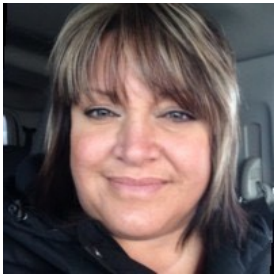

11. If your dog was exposed to any dog that was ill or later fell ill, quarantine the dog immediately for a minimum of two weeks and discuss with your veterinarian.

Again, we stress that no dog with a communicable disease may attend a CKC-sanctioned show and any dog may be removed from the show by the show authorities on account of disease and be reported to the CKC.

Some more information on Canine Infectious Diseases Distemper, Canine Distemper is caused by an RNA virus that infects the gastrointestinal and respiratory tracts, central nervous system, and conjunctival membranes of the eye. Symptoms include sneezing and coughing, often with eye or nose discharge, fever, vomiting, and diarrhea, and hardening of nose and footpads, hence the old name hardpad disease. Infection can result from inhalation of aerosols as well as direct contact with urine, blood, or discharges of infected animal. Secondary bacterial infections are a risk. Dogs of any age can become infected but the risk is greatest for unprotected dogs under six months of age. Distemper immunity is provided by core vaccination and the virus is killed by most common cleaning agents.

FOR SAFETY SAKE NO DOGS CAN BE LEFT UNATTENDED IN VEHICLES IN DAY PARKING for any length of time, or for any reason .

Sweepstake Judges

Jolie Janssen is a breeder and exhibitor of Doberman Pinschers and Chinese Cresteds under the Janterra prefix with the help of her husband and daughter and all help with whelping and raising puppies. Janterra is a selective family breeding program which keeps to the motto, 'A noble mind deserves a noble architecture' and keeping this in mind we have managed to produce many Canadian and American champions.

Photography is one of Jolie's passions. She spends many hours photographing dogs of all breeds while attending dog shows, as well as doing private photo shoots.

Nicholas Phillips

I started in dogs in 1969 working with Helen and Doug Roy of Kel-Tara Kerry Blue Terriers, training, grooming, and handling show Kerries. Over a 15-year association, I had the opportunity and privilege to learn from and handle

alongside some of the best dog breeders and handlers as I, travelled across Canada the US. As a junior I was active in the Vancouver Junior Kennel Club under the tutelage of Elsie Murray. I've owned and shown Kerries and Wire Fox Terriers, in addition to handling a number of other breeds from various groups. In dog show work, I've done everything from being a ring steward, a show superintendent, club officer and judging at sanction matches. Most notable from those early years for me was delivering, training, and handling the great Can. Am. Ch. Kel-Tara's Star Jubilee to her Canadian title before she embarked on her record-setting career with Tim Brazier. Eventually my own career as a social worker and university instructor, along with my involvement in the endurance athletics swimming, and road cycling, plus coaching swimming, my life was taken in other directions but a lifelong friendship with the Roys kept me in touch with the dog world. I continued to follow the sport from a distance.

I recently returned to the show ring handling my first Shiba Inu, having been an admirer of the breed for a number of years.

The motto at Kel-Tara was "sound of body, mind, and

spirit" and those words hold true for me to this day when I think about what to look for in a purebred dog. And if we, humans and dogs, aren't having at least a little bit of fun we're not doing it right.

Philip John, India,

I have officiated as a Specialist judge at Sight Hound, Dachshund, Labrador, Doberman, Boxer, Rottweiler, Great Dane, Dalmatian, Basenji, Pug and Tibetan breeds shows. Have been invited to judge the National Specialty by the Spaniel Club of Denmark in 2017.

I have bred Doberman, Beagle, Lhasa Apso, Standard Dachshund, and German Shepherd Dog. Also exhibited Greyhound, Whippet, and Standard Dachshund (LH).

I am currently the President of the Dachshund Club of India.

Jorge Luis Patiño Fernández, Mexico.....

The dogs I have now and breed are Dobermann and Bulldog. I have always hired handlers to present my dogs, the situation of being a judge and presenting dogs oneself is not as well regarded in Mexico. I am judge of all breeds since 2008 and also a Veterinary Doctor.

Filiberta Arniella,

Peurto Rico ...

I have been involved with Rhodesian Ridgebacks for about 44 years. My last litter was about 4 years ago. Currently I keep females only of these breeds: Ridgebacks, a Fila Brasileiro, a Brazilian Terrier, a miniature wirehaired Dackhund, a Brittany, a Pointer and a Mut .

I stated in the sport with Labrador Retrievers in Obedience, until I saw my first Ridgeback. I have done tracking, and I love Agility

My first RR's where finished in USA by professional handlers then I handled myself. I love to finish my dogs from the Bred-By class.

I did handle for other people for a few years.

I look forward to judge great dogs, meet new friends and visit some parts of your location.

My home airport is San Juan (SJU)

Lana Ferguson

My involvement in purebred dogs began in 1979. My first show dog was a Dalmatian, CH Aiglons Pixie CD. In our very first show Pixie went BPIG and, as they say, the rest is history. I was hooked. Going forward I spent

many years showing Dalmatians in both the conformation and obedience rings. During those years I occasionally handled Shetland Sheepdogs for my mother who was very involved in obedience.

In 1999 I purchased my first Doberman Pinscher BIS CH Devonquest Misdemeanor CD, CGC (Devon). Dobermans have been my passion since Devon entered my life and I have been committed to the breed ever since.

Over the years I have bred Dalmatians and Dobermans under the Legendale prefix. I currently am active in conformation, nosework, obedience, lure coursing as well as barn hunt. I am a Life Time member of CKC, member of DPCA and DPCC.

I am a licenced Mortgage Broker and have owned my own business Verico Vistabay Mortgages Inc., for many years. I am an avid curler and enjoy golfing when time permits.

This is an exciting time for me as I begin embarking on my judging career.

Laurel Deptuch

I have been involved with purebred dogs since my family purchased a boarding and grooming kennel in the early 1970s. We have bred Afghan Hounds, Standard and Miniature Poodles under the

Swiftwind prefix for over 40

years. Over the years we have owned and bred many top producing and top winning dogs both in conformation and performance.

I am currently Secretary/Treasurer for The Afghan Hound of BC, Field Coordinator for The Vancouver Island Coursing Association, life member of The Tyee Kennel Club and long time member of The Afghan Hound Club of Canada and The Canadian Kennel Club.

I live on Vancouver Island with my wonderful husband, Ross and two zany Afghan Hounds. I am now licensed to judge the Hound group and on permit for 1/2 of the Working **Group**.

For me, form follows function and that is how I

assess dogs. I am honoured and excited to be here and see all the quality working dogs.

Shawn Nichols My involvement in purebred dogs started in 1982 when I attended my first conformation shows. I quickly developed a keen interest for the sport of dogs. In the summer of 1985 I went to work for professional handlers Mark and Sally George, in Northern California. I soon realized this sport would be a life commitment. I continued to work for professional handlers, namely Tim Brazier, Mark Shanoff and Carol Gram-

ham, all of whom offered me the privilege of working with some truly amazing dogs. Eventually I relocated to Calgary where, in partnership with Raymond Yurick we handled several breeds specializing in Toy & Terrier breeds. One of the dogs we showed Am. Can.Ch. Clarion Camelot Communique, Canada's top Non-Sporting dog and #10 All breeds in 2008.

I have bred Wire Fox Terriers, Whippets, Scottish Terriers but primarily Toy & Miniature Poodles under the Typecast prefix.

In 2007 I had the honour of purchasing and assuming the responsibility of being the editor of Terrier Type, a unique magazine that chronicled the history and achievements of the Terrier since 1961.

I currently reside in Calgary where I work for L'Oreal Professional as a Business Development Consultant. I recently completed my Marketing Sales Management Diploma at BCIT. In 2012, I started to judge and I have completed the Toy, Non Sporting, Hound group I am currently working on completing the Terrier group. Judging to me was a natural evolution to add to my experiences in the dog world. It also allows me to remain current with issues of importance to breeders and exhibitors and offers me a means to be involved with CKC. In addition to judging in Canada and the US it has afforded me the luxury of judging in Mexico, Korea and most recently Australia.

Janet L. Buchanan I am an

All Breed judge, licenced by the CKC. A fifty year association with the CKC as breeder,owner handler exhibitor and judge has given me a wealth of experiences and memories for which I am grateful.

My kennel name is Auldstane and Scottish Deerhounds and Salukis have been my main interest and most rewarding achievements , though I have a special affection for all Hounds. Salukis share my home on Vancouver Island today

Judging at All breed and Specialty shows in Canada and the US, Sweden, Finland ,Denmark, Argentina, Australia and New Zealand provides an appreciation for our international similarities and differences within our passion and sport. I have been so fortunate to be able to enjoy some really memorable dogs and events.
