General Information and Test Rules

To earn a Water Rescue Dog title or Water Rescue Dog Excellent title at these tests, the entrant will be required to successfully pass all the exercises as written in the NDCC Water Test Rules, under all three judges. During the test, the decision of the judges shall be final in all matters affecting the working of dogs and handlers and in evaluation of their performance.

EVENT REGISTRATION NUMBER

Every foreign born and owned dog that is entered in a Canadian Kennel Club event must obtain an Event Registration Number (ERN) within 30 days of that event. An Event Registration Number application must be completed and submitted along with a copy of registration documents from a CKC recognized foreign kennel club and the required fee.

Download the Event Registration Application from the online forms section under CKC Services or contact the CKC Order Desk at 1-800-250-8040.

CKC Tracking Fee

A CKC tracking fee will be charged for non-CKC members. The Non-Member Participation Fee applies to dogs wholly owned by a resident of Canada who is not a member of the CKC; it is not applicable to CKC members or dogs co-owned with a CKC member. In order for the title

to be awarded, the non-member will have a choice to either become a CKC member or pay the Non-Member Participation Fee. Failure to comply within 30 days of notification will result in a title being withheld and the dog cannot be moved up to the next level.

PERFORMANCE EVENT NUMBER

A Performance Event Number (PEN) allows an unregistrable dog of a CKC recognized or listed breed to participate in competitive events that are appropriate for the breed. In order for a dog to be eligible to receive a PEN, all of the following criteria must be met:

- 1) The dog must be of a CKC recognized or listed breed
- 2) The dog, for one reason or another, must not be eligible for CKC registration.
- 3) The dog must be spayed or neutered
- 4) The dog must be properly identified with a CKC approved microchip (this requirement is not necessary for ILP dogs)
- 5) In the case of a foreign born dog residing in the USA, in addition to the above, the dog must have been issued an AKC PAL number.

Download the Performance Event Number application from the online forms section under CKC Forms, Exhibitor
