CLUB OFFICERS

PRESIDENT: Sarah Fodchuk

Vice-President: Bill Marshall

Secretary: David McFadyen

Treasurer: Adam Wood

Hunt Test Chair: Barrie Fodchuk

Test Secretary: Sarah Fodchuk

We would like to take an important moment to remember our lovely Barb Karamouzis who lost her battle to cancer earlier this year. Never shall we forget the many things that made her so wonderful to be around from her warm smile, her love of dogs, her words of encouragement, her sense of humor, and of course her generosity which she always showered us in with her delicious home baking.

Thank you for your kindness, you will be missed

The Alberta Clipper Hunting Retriever Association wishes to express their appreciation to Cabela's for their support of our activities.

A big thank you to Arctic Chiller for providing bottled water for the workers at these tests.

Upcoming events

ACHRA Hunt Test, Aug 22-23, 2020 at Wabamun

Mitch White Seminar, July 8-11, 2021 at Wabamun

IMPORTANT

THANK YOU TRANSALTA

Our beautiful grounds have been made possible through the reclamation initiatives of TransAlta Corporation. We acknowledge, with gratitude, their generosity in allowing us the stewardship of this land as the Whitewood Mine Reclamation moved forward. It has provided a critical contribution to the retriever sport in Alberta and encouraged participation from all of western Canada.

Please ensure our continued use of the area by being respectful of the habitat and the wildlife that lives in it. Drive and park where directed, pick up your garbage, and control your dogs.

To follow current Alberta Health Regulations due to Covid-19 there will be restrictions in place during the event. Please respect the guidelines to ensure we keep everyone safe.

- **If you have any symptoms DO NOT ATTEND the event.**
 1. Do you have any of the following symptoms:
 - a. A fever
 - b. A cough that is new or different from usual if you have a chronic cough
 - c. A sore throat that is not related to a pre-existing condition
 - d. A runny nose that is not related to a pre-existing condition
 - e. Nasal congestion that is not related to a pre-existing condition
 - f. Shortness of breath that is not related to a pre-existing condition
 2. Have you travelled internationally within the last 14 days?
 3. Have you come into contact with individuals who have a confirmed or presumptive diagnosis of COVID-19.

Any attendees exhibiting symptoms will not be allowed on the grounds.

- **All handlers will be notified to go directly to the site of their stake and avoid all congregating in central areas.**
- **Social distancing practices will be in place. Be mindful when speaking with others.**
- **Bring your own food and drinks.**
- **Remove all your garbage from the grounds. There will NOT be garbage bins available.**
- **Bring your own whistle. We will NOT supply them.**
- **You may be required to place the bird in the bucket and/or on the drying rack. Judges will NOT be required to take the bird from the handler but it will be entirely up to the judges discretion as to how this is handled at each stake**
- **Bring your own mask and gloves (if you choose to wear them). If handlers choose to wear rubber gloves to the line, they must dispose of the gloves after leaving the line and put on new gloves with each ensuing series. If handlers choose to wear a mask to the line, they cannot touch the mask to move it up or down to use their whistle. This is equivalent to touching their face/mouth and MUST sanitize their hands immediately.**
- **There will NOT be washroom's available. Come prepared.**
- **If possible, only the handler of the dog should attend the event. This helps to keep attendance numbers low and reduce the risk.**
- **A hand hygiene station will be set up at each stake between the last holding blind and the line. The station will include a hand pump bottle of hand sanitizer. Hand hygiene is required to be performed by everyone when:**
 - on their way to the line
 - after leaving the line
 - routinely throughout the day

Please bring your own sanitizer for your personal use outside of the stake area.

Commonly touched areas will be cleaned and disinfected a minimum of twice daily.
